4.00 - 7.90mm Grip Range
Aluminum Rivet Steel Mandrel
Bumper Cover Rivets
Hyundai # 14160-03130

Rivets Multi Grip Pop Aluminum & Steel

The Multi-Grip rivet will serve in applications where solid, soft materials and thicknesses normally require several rivet sizes. Oversize, irregular or misaligned holes are automatically compensated for by self adjusting hole-filling capability. The mandrel head is retained in the rivet body, forming a tight, weather resistant seal.
